

The Internal Quality Assurance Cell (IQAC)

The Internal Quality Assurance Cell (IQAC) in educational institutions is responsible for ensuring quality in all aspects of academic and administrative functioning. Its objectives typically include:

- 1. Promoting Quality Culture:** IQAC aims to foster a culture of quality enhancement throughout the institution by sensitizing all stakeholders to the importance of quality in education and institutional processes.
- 2. Developing and Applying Quality Benchmarks/Parameters:** IQAC establishes and maintains benchmarks and parameters for various academic and administrative activities, ensuring that they meet recognized quality standards.
- 3. Facilitating the Creation of a Learner-Centric Environment:** IQAC works to create an environment conducive to learning, where students' needs and aspirations are met, and where teaching, learning, and evaluation processes are designed to enhance student outcomes.
- 4. Ensuring Effective Governance, Leadership, and Management:** IQAC assists in ensuring effective governance, leadership, and management structures within the institution, promoting transparency, accountability, and participatory decision-making processes.
- 5. Enhancing Teaching-Learning Processes:** IQAC focuses on improving teaching-learning processes by encouraging innovative teaching methods, incorporating modern technology, and promoting faculty development programs to enhance teaching effectiveness.
- 6. Promoting Research, Consultancy, and Extension Activities:** IQAC supports and promotes research, consultancy, and extension activities within the institution, encouraging faculty and students to engage in scholarly pursuits and contribute to the advancement of knowledge.
- 7. Ensuring Infrastructure and Learning Resources:** IQAC ensures that the institution maintains adequate infrastructure and learning resources to support academic and research activities, including libraries, laboratories, ICT facilities, and other essential amenities.
- 8. Assessment and Accreditation:** IQAC facilitates the institution's efforts towards assessment and accreditation processes, ensuring compliance with accreditation criteria and striving for continuous improvement in performance.
- 9. Continuous Monitoring and Evaluation:** IQAC monitors and evaluates the effectiveness of various quality enhancement initiatives and processes, collecting and analyzing data to identify areas for improvement and take corrective actions as needed.
- 10. Promoting Best Practices and Quality Initiatives:** IQAC encourages the adoption of best practices and quality enhancement initiatives from within the institution and from other reputed institutions, fostering a culture of continuous improvement and excellence.

These objectives collectively contribute to the overall goal of IQAC, which is to ensure that the institution maintains high standards of quality in all its endeavours and continuously strives for excellence in the pursuit of its educational mission.
